

2nd Grade Weekly Homework - Week 24 - April 18, 2014

Due Thursday, April 24, 2014

Below is a list of activities. Please check off all that you accomplish this week. Have your caregiver sign and return this list. Try to do at least ten. If you do an activity on more than one day, you can check it more than once. Have fun! Home activities are graded as follows: less than 10=Partially Proficient, 10 including all * activities = Proficient, 14 or more including all *

Child's name _____

Caregiver's name _____

REQUIRED ACTIVITIES

___*Read 100 minutes this week. Record your minutes each day you read to equal 100 or more

Fri___ Sat___ Sun___ Mon___ Tues___ Wed___ Thurs___

___*Practice your new spelling words. Remember you have two weeks before you will be tested

___* complete any math sheets that come home this week.

___* in addition to any math sheets that come home, please work with your child on subtracting mentally. We have worked on subtracting by 10 and adding the difference to get the answer. For example $46-9=46-10=36+1$ (because $9+1=10$), or $56-8=56-10=46+2$ (because $8+2=10$). We played a game that you can do at home. From a deck of cards remove all the 6's, 7's, 8's and 9's. Put them in a pile face down. Now roll two dice to make a two digit number (or just make a two digit number if you don't have dice). Turn over a card from the pile and subtract mentally.

___*complete the phonics page in your homework folder (fill in the blank with -dge words

___*if you are an actor for the production, practice your lines. If you are a dancer, practice your dance moves. If you are a musician, practice the songs (use the CD to help you). If you are in a service group, tell your parents what you did this week.

___*write a poem about an everyday object in your house

___*tell someone in your family what you did in PE, Music and Art this week
