

2nd Grade Weekly Homework - Week 26 - May 2
Due Friday, May 16 2014

As we wind down this school year, we are phasing out homework. This will be the last homework of the year, but please note that it is for two weeks. The only thing we require is that your child will read 100 minutes each week, complete any math sheets that come home, and finish the timeline.

We thank you for the time you spent this year helping your child with homework activities!

Child's name _____

Caregiver's name _____

REQUIRED ACTIVITIES

____*Read 100 minutes each week for the next two weeks. Record your minutes each day you read to equal 100 or more.
